

Tasting Notes

This wonderful blend of AVAs will knock your socks off with the 2010 vintage.

A marriage of our estate Wits' End vineyard in the Chehalem Mountains and the Marsh Estate Vineyard in the Yamhill-Carlton AVA, this wine is sure to please with its deep richness and finesse.

With such a small crop in 2010 we decided to leave well enough alone and let you savor the blend of these two premium vineyards in this approachable and luscious wine.
