“Vivid red. Heady red berry liqueur and Asian spice aromas, along with suggestions of candied rose, smoky minerals and incense. Sweet and penetrating on the palate, offering intense, spice and mineral-tinged raspberry, cherry and five-spice powder flavors and a refreshingly bitter hint of musky rhubarb.”

“This wine’s complex fruit flavors run the gamut from orange marmalade to cherry pie and are bolstered by underlying minerality. It’s still very young and will benefit from another year or two of bottle age, after which the tannins will soften and the fruit flavors will unpack themselves.”

“Sleekly structured, showing elegance and precision, plus raspberry and spice box flavors that end with polished tannins. Drink now through 2024.”
