International Wine Report

“The 2016 ‘Marsh Estate’ Pinot Noir is another gorgeous bottling from this great Oregon winery. The wine shows a great deal of freshness on the nose with red fruits and lighter floral and earthy tones. The palate with red fruits and dark fruits masquerading with a great sense of tension in the wine. Earthy and roasted fig undertones complete this brilliant wine. This release by the talented Rollin Soles of ROCO will continue to evolve well over the next fifteen years. Drink 2019- 2035”
