2016 The Stalker Pinot Noir

Willamette Valley AVA

93 pts

International Wine Report

“The 2016 ‘The Stalker’ is a terrific and earthy new bottling of Pinot Noir. Showing a good combination of freshness and richness the wine opens with a bright bouquet of citrus rind, black tea, wild blackberry cobbler and licorice. The palate shows a good combination of freshness and richness with blackberry compote, anise, red currant and peat moss flavors, with a great sense of minerality that persists through the mid-palate. Showing a lot of poise now, this warm vintage wine will continue to evolve well over the next decade or more. Drink 2019-2032”
