2016 KNUDSEN VINEYARDS CHARDONNAY

“The 2016 Chardonnay Knudsen Vineyards (located at 800 feet in elevation) is shy on the nose, unfurling to reveal aromas of saline, white flower, crushed rock and honey toast with a core of lemon pith, Greek yogurt and red apple. The palate is medium-bodied with a pleasant touch of phenolic texture, giving up tangy citrus and salty flavors and finishing with energetic acidity.”
