“The blend for this tête de cuvée is 67% Pinot Noir and 33% Chardonnay and it was given 30 months en tirage prior to bottling. Pushing the envelope for Oregon bubbly ever higher, Winemaker Rollin Soles hits a perfect chord here. Mixed yellow fruits, highlighted with coconut and toast, anchor a thrillingly electric wine with dynamic tension and focus. Fine bubbles and vivid acidity delight the palate. Drink now–2025.”

“A brilliant follow up to the 2015 bottling, the 2016 ‘RMS’ opens with an intense bouquet of bright green apples that meld with shades of nutmeg infused sourdough bread and lemon curd that all come together in the glass. The balance imparted here is simply marvelous as the wine shows a silky mousse and marvelous texture that shows off this warm vintage in the Willamette Valley. Fantastic in its nascent phase, the 2016 ‘RMS’ will enjoy at least another decade of life ahead of it — but is nearly impossible to resist right now.”
