“A severe barrel selection, this is a firm, toasty and stylish wine. Ripe fruit flavors of apple and peach dominate, buoyed with ample acidity. There’s a finishing snap from the natural minerality of the vineyard, and this has the structure to evolve nicely over the next half-decade or longer.”

“The 2016 Chardonnay Wits’ End Vineyard (located at 400 feet in elevation) is shy on the nose, giving up notes of pink grapefruit, lime peel, honeycomb, toast and warm earth with a peachy core and a crushed rock mineral suggestion. Medium-bodied, it has lots of energy and verve in the mouth, with concentrated peach and lime fruit accented by honey and toast notes. It offers wicked acidity and a long mineral finish. Yum!”
