
2016 Marsh Estate Chardonnay

Tasting Notes by Winemaker, Rollin Soles

“Marsh Estate Chardonnay begins with subtlety when young, and builds full throttle ripe Chardonnay character with time in the bottle. The aromas include characteristic white and yellow flowers like pear blossom and daffodil. Spiced roasted hazelnut and citrus lemon meringue finish out the nose. The flavors are immediately trailed by a briny, minerally, firm acid centerline. Taste for juicy, ripe fruit including pear and a bit of melon. The texture is round and lactic influenced, while the lingering finish is complete with roasted hazelnut, citrus peel, and blossom honey in a beautiful Fleur de Passion manner.”
