2016 RMS SPARKLING BRUT ROSÉ

International
WINE REPORT
95 points

“The ‘RMS’ Rosé Sparkling Wine is a limited production bottling by superstar winemaker, Rollin Soles, who first began making this style of Oregon sparkling wine in 1987. The nose is highly perfumed with red rose petal, guava puree, teaberry and melon tones that fill the aromatic profile. The palate is refined as there is a wonderful elegance and seamlessness to this beautiful Rosé Sparkling Wine. Red fruits and lighter earthy and citrus rind notes dance with the bright sense of minerality on the palate. While refined, this wine has some seriously good weight. A stunning wine that is truly one of the best of its kind, I can imagine this great bottling will cellar well for two decades. But why wait? Drink 2019-2035”

“A single-vineyard 100% Pinot Noir, this is a lovely coppery pink in color and is loaded with bright fruit flavors of apple, pear, apricot and strawberry. It’s young and still lightly yeasty, with a spicy kick that propels the flavors through a long and crystal clear finish.”
