
2017 Knudsen Vineyards Pinot Noir

Tasting Notes by Winemaker, Rollin Soles

Aromatics are a generous blend of juiced black cherry and strawberry leather fruits with complex savory components like cedar, tobacco leaf, and vanilla pod typical of higher elevation grown Pinot noir. The palate is super rich with a silky mouth feel. Toothy tannins are cushioned on a bed of strawberry jam, cherry pit fruit, and baked persimmon fruit. This wine's finish is like a dream you'll want to never wake up from.
