
2017 Marsh Estate Pinot Noir

Tasting Notes by Winemaker, Rollin Soles

“The 2017’s are bright and aromatic wines. This wine has aromas of black raspberry and red plum that marry with spice components of pink peppercorn and hint of rosemary and light Russian sage spices. The flavors are immediately ripe sweet raspberry jam, thimbleberry, and black currant. The mouth-feel is luxuriant with elegant spice mix of cedar, black pepper, and hint of juniper berry. The finish floats on a sea of ripe fruit.”
