

Tasting Notes

This is ROCO's first vineyard designated wine other than our Private Stash. AND the wine is noticeably phenomenal.

This first Marsh is a blend of 44% south sloped clone 115 and 56% south sloped clone Pommard with only 56% aged in new French oak from the forest of Vosges and Allier. The wine displays the classic Yamhill-Carlton tendency toward rich, dark fruit and enticing spice with a finish that goes on and on.
