
2014 Marsh Estate Vineyards Chardonnay

Tasting Notes by Winemaker, Rollin Soles

Some of the greatest Chardonnays in the world express a lovely floral aroma when young and this Marsh Estate has this rare characteristic. There are profound notes of Bosc pear blossom alongside fresh rose petal with a hint of chamomile on the nose. The palate is electric with a refreshing acidity framed by a citrus lemon crème and the promise of nectarine and honey comb in its age worthy future. This wine has a combination of depth and finesse and lively finish.
