“Sourced from Pinot Noir grapes, this Rosé begins with aromas of lighter red fruits with minerals and hints of orange rind. Crisp and refreshing, this shows a nice range of red currant, pomegranate seed and orange rind on the palate.”

“A lovely pale copper, this excellent rosé is pure Pinot Noir. Exceptional concentration and detail are its hallmarks, with flavors of cherry pit and flesh, buoyed by snappy acids. It’s simply exceptional in every way.”

Paul Gregutt, October 2018
