“Rollin Soles has sourced from this esteemed vineyard for more than a decade. The resultant 2017 edition shows gorgeous aromatic range from red currants to sandalwood tones as well as lemon zest and shades of white truffle that all come together marvelously in the glass. The palate is full-bodied and generous, with wonderful length and verve. Guava puree and red raspberry cordial collide with suggestions of wild mushroom, peat moss and copious minerals. Bright, with outstanding richness, the 2017 ‘Knudsen Vineyard’ Pinot Noir will enjoy a long time in the cellar.”
