## Rollin Soles & Sparkling Wine

RMS is named after ROCO owner and winemaker, Rollin Michael Soles. Rollin founded Argyle Winery in the mid 80s because he believed that this was the best place to produce premium sparkling wine. The RMS Brut & Brut Rosé are made in the traditional méthode champenoise style, which takes an average of three years to complete. Join our Diamond Club to enjoy two shipments of RMS sparkling wine annually, or explore our other club options for a broad selection ROCO Wines.
